Subject: Bristol Bay Assessment: Draft Revised briefing for Sussman, Anastas, McLerran, Stoner

Kevin:

I met with my counterparts from Region 10 and OW and we developed a revised briefing outlining the Bristol Bay Assessment. The revised briefing is attached. The briefing is scheduled for Tuesday, July 12 from 1 to 3 PM EST.

This draft is being shared this week with Keehner, McLerran and probably Stoner. Let me know this week

should you have any comments on the draft briefing. Is there information missing that you, or Paul, would like to see addressed in the briefing?

Our plan is to revise early next week and then send out as final.

Thanks - and thanks again for the opportunity to discuss the assessment with you and Paul yesterday.

Jeff
